Student Loan Information

There are many financial institutions that offer student funding, including big banks like including Capitec, FNB, ABSA, Nedbank and Standard Bank, as well as other financial service providers including Fundi and Student Hero.

We recommend that once you have received your acceptance letter over email, that you use it to apply for a student loan in the year before you enrol and start studying at AFDA. Every bank or financial service provider will have their own specific criteria of what to apply with and will offer you a different interest rate. Shop around until you find the best deal that suits you.
